

ROCKETEER
24/7 EXPRESS COURIERS

DO YOU HAVE WHAT IT TAKES TO BE A ROCKETEER?

Rocketeer is looking for motivated drivers with the smarts and motivation to get packages to our customers the first time in fast time.

ABOUT US

Rocketeer is an online courier company using smart phone technology and crowd-sourced drivers to move our customer's cargo from A to B.

We want to open up the market to business and consumers who are unsatisfied, ineligible or priced out of the current market by existing couriers.

Our aim is to provide reliable and fast 24/7 delivery with drivers instilled with the sense of urgency the market demands.

WORK WHEN IT SUITS YOU

We offer flexible work hours – work as much as you want, when you want, for as long as you want. We'll provide as much work as you can take as long as you can get it there in one piece and on time.

Need to pick the kids up? Log off and join us again later that evening or next week if you prefer. Working 9-5? Join us after hours to earn spending money for that holiday. Hitting the books? Drive with us and have all the flexibility you need to fit in around your study and exams.

PAY STRUCTURE

All jobs are charged at a base rate for the first 10kms then a fee per km after that. These rates are scaled to the size of the package being transported. Between the hours of 1800 and 0600 you will receive an additional peak hour rate.

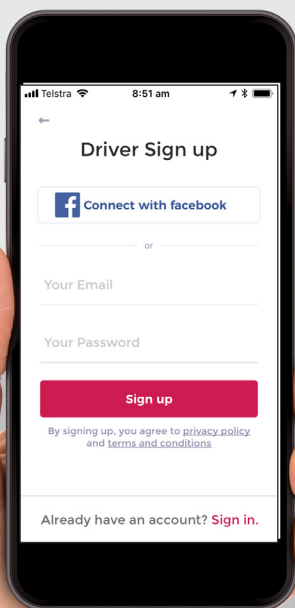

GET PAID ON TIME

We offer quick cash. Gone are the days of having to wait a week, a fortnight or even a month to be paid. As one of our drivers you're guaranteed to be paid every 2 days running. Work on a Monday get paid for that work on a Wednesday. Work on a Wednesday and it will be in your bank account Friday ready for your big weekend plans.

START WORK IN UNDER AN HOUR

After your application and vehicle have been approved we will provide you with a basic training package to get you started – this should take no longer than an hour.

Log into the app and the work will start scrolling through your job feed. Select the job that you would like and get ready to go.

24/7 DRIVER SUPPORT

Each job will provide all relevant information you will need to complete delivery. We also have a 24/7 helpline direct to our base to navigate you through any issues you may have. We also hold a 20 million public liability cover for your and the customer's peace of mind.

PICKING THE BEST DRIVER FOR THE JOB

Jobs will be matched to the maximum carrying capacity of your registered vehicle and as such only the vehicle you register with us may be used. Pay rates for jobs are size dependent. You can only accept jobs which are your maximum carrying capacity and below.

You can only accept one job at a time and must complete delivery before you are eligible for more work. If you cancel your job after accepting you do not receive any payment.

ROCKETEER'S TWO-WAY REVIEW SYSTEM

Customers have the ability to rate your performance. The higher your rating the better your chance of receiving higher paying jobs. If your rating slips below our bench mark for acceptable driver standard you may find that you are locked out of your profile and may receive no further work. You may reapply or have your case looked at if you think you have been unfairly rated by one of your customers.

You also have the ability to rate your customers on the accuracy of pickup and delivery instructions and readiness of delivery. Customers will be subject to the same rating system and may also be locked out of the application if they fall below the acceptable benchmark. We do this to mate good drivers with good customers so each party can have a pleasant and streamlined experience.

ESSENTIAL REQUIREMENTS

1. A current driver's license
2. A National police check. Request one at your local police station or get one online from cvcheck.com
3. Sole-trader ABN from abr.gov.au
4. Registered vehicle – Bike, ute, bus, truck, small car, big car, Van, hell if you have your own chopper we can probably find work for that too. But my car is a bomb you say – Hey we're not fussy as long as your vehicle passes a few basic checks and is roadworthy and registered you can drive for us.
5. Iphone 6 or later, and some way of charging your phone while driving. Our Android App is currently under development and will be coming online soon.

RECOMMENDED REQUIREMENTS

1. A hand-trolley can greatly assist with the delivery and pick up of multiple items. A folding hand truck can be purchased from office works for around \$30 which will fit in just about any small car. Bunnings and Mitre 10 have a variety of larger hand trolleys which will suit most larger vehicles.
2. A phone cradle to mount in your vehicle will keep your eyes safely on the road and the police off your tail!
3. Company name, address and phone number in small black letters on the lower right hand side of your vehicle (driver side).
